## **The Blessings of the Attitudes of Success**

### **What Is an Attitude?**

#### **The 5 Attitudes of Success**

##### **1. Fear of the Lord** (Proverbs 19:23; Psalm 34:9-10; Psalm 128:1-4)

**Definition:** Taking God seriously enough to obey him and stay inside his boundaries.

**Attitude in Action:** Respectfully

**Opposite:** A divided or hard heart

**Attitude Adjustment:** *Today, I set my heart before you, to think, feel, and act respectfully, in all things.*

**Application Question:** Where in God's eyes, am I thinking, feeling, or acting disrespectfully toward my leaders, my spouse, my parents, or my siblings?

##### **2. Trust in the Lord** (Jeremiah 17:7-8; Proverbs 3:5-7; Proverbs 16:3)

**Definition:** Counting on God to keep his word.

**Attitude in Action:** Confidently

**Opposite:** Doubt

**Attitude Adjustment:** *Today, I set my heart before God, to think, feel, and act confidently, in all things.*

**Application Question:** Which area of my life am I doubting God's word, and refusing to do what I know is right?

### 3. Humility (Proverbs 22:4; 1 Peter 5:5-7)

**Definition:** Voluntarily taking a position of lower importance.

**Attitude in Action:** Humbly

**Opposition:** Pride

**Attitude Adjustment:** *Today, I set my heart before God, to think, feel, and act humbly, in all things.*

**Application Question:** Who would God have me treat more humbly in the way I think, feel, and speak about them?

### 4. Teachability (Proverbs 19:20; Proverbs 3:1-2; Proverbs 15:22)

**Definition:** Able and willing to be taught.

**Attitude in Action:** Teachably

**Opposite:** Wise in your own eyes

**Attitude Adjustment:** *Today, I set my heart before God, to think, feel, and act teachably, in all things.*

**Application Question:** Who should I ask to correct my thinking about a decision I need to make or a course of action I'm considering?

### 5. Patience (Galatians 6:9; James 1:12; Isaiah 40:31)

**Definition:** Waiting on God's timing without giving up.

**Attitude in Action:** Patiently

**Opposite:** Haste and giving up

**Attitude Adjustment:** *Today, I set my heart before you, to think, feel, and act patiently, in all things.*

**Application Question:** Which leader, follower, relative or co-worker would God have me treat more patiently in my thoughts, feelings, or actions?
